

Arizona Congressional District 3 Communities Benefit From LSTA Funds

Federal funds administered by the Institute of Museum and Library Services provide access to electronic resources and literacy programs for all Arizona citizens. In addition, funds are distributed to community libraries through competitive subgrants. In 2015, CD 3 libraries used LSTA awards to:

- Provide classes on coding, video editing, crafting, and 3D design to Pima County teens.
- Equip the Buckeye Public Library with a mobile laptop lab that extended computer and business classes to hundreds of children, teens and adults at a new branch.
- Lend hundreds of special items such as workout equipment, outdoor games, a telescope, and binoculars in Avondale.

101Space, a youth center at the Pima County Public Library Main Branch

Teen mentors lead programs giving them the opportunity to learn critical thinking skills related to program development and management, community outreach, and sustainability planning.
